Happy New Year from Lyon, France!

The Hendrix' mission has been Lyon since 1975. The Lyon Church of Christ is a mix of ages from 1 to 90 years old. Almost half are under 35 years old! Our members represent a number of nationalities: France, French Caribbean, Italy, North Africa, Madagascar, Haiti and the U.S.

Besides evangelism, we continually try to reach out to the needy. Last year that included Mila (the Ukrainian refugee we "adopted"), and we have also helped Albanians, Syrians, Cameroonians, etc.

Lyon is a university city with over 180,000 students (11% of them foreign). This too is a huge opportunity for outreach.

We thank God for the younger generation at church who provide technological support for worship, classes and even our webinar ("Deux Mieux en Mieux" marriage seminar on YouTube). They also take the initiative of teaching and serving others.

challenges, God is there.

“But now, this is what the Lord says: ... 'Do not fear, for I have redeemed you; I have summoned you by name; you are mine. When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze. For I am the Lord your God, the Holy One of Israel, your Savior... Do not be afraid, for I am with you... You are... my servant whom I have chosen, so that you may know and believe me and understand that I am he. Before me no god was formed, nor will there be one after me. I, even I, am the Lord, and apart from me there is no savior. I have revealed and saved and proclaimed... You are my witnesses, declares the Lord, 'that I am God.' (Isaiah 43)

The biggest annual event in Lyon is the **Festival of Lights**. Two million visitors flocked to Lyon December 7-10, 2023. Pamela & I were quite happy to stay home and watch this **video recap** of the festival:
